

1

Recons, in the agreed format, are emailed to Biza (and clients) once jobs are complete.

2

Compliance checks are integrated into our way of working; we review and validate supporting documents and invoices relating to your project.

3

We review agency work-in-progress reports to assess adherence to brief and timelines, and manage the completion of recons where these are past due.

4

In addition to improving financial procedures and turnaround times, the recording of project data facilitates accurate and powerful business reporting.

OUR RECONCILIATION PROCESS PROVIDES
TRANSPARENCY, EFFICIENCY AND RESULTS!
